Policy for Responding to Domestic Abuse

All forms of domestic abuse are wrong and must stop.

We are committed to promoting and supporting environments which:

- ensure that all people feel welcomed, respected and safe from abuse;
- protect those vulnerable to domestic abuse from actual or potential harm;
- recognise equality amongst people and within relationships;
- enable and encourage concerns to be raised and responded to appropriately and consistently.

We recognise that:

- all forms of domestic abuse cause damage to the survivor and express an imbalance of power in the relationship;
- all survivors (regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity) have the right to equal protection from all types of harm or abuse;
- domestic abuse can occur in all communities;
- domestic abuse may be a single incident, but is usually a systematic, repeated pattern which escalates in severity and frequency;
- domestic abuse, if witnessed or overheard by a child, is a form of abuse by the perpetrator of the abusive behaviour;
- working in partnership with children, adults and other agencies is essential in promoting the welfare of any child or adult suffering abuse.

Each person who works within this church community will agree to abide by this policy and the guidelines established by this church.
